MERN STACK Developer

 [sarath_mullath.me](https://sarath-mullath.me)

SUMMARY

Motivated computer engineering student seeking an internship to apply theoretical knowledge in a practical setting. Skilled in problem-solving, programming, and eager to contribute to a dynamic team. Aspiring to gain hands-on software development experience and grow within a collaborative, innovative environment.

EDUCATION

IPT & GPTC Shoranur

Diploma in Computer Engineering
2021 – 2024

KHSS TOTTARA

Computer science
2019 – 2021

SKILLS&TOOLS

- React .js.
- Node.js
- Express.js
- MongoDB
- HTML& CSS
- Bootstrap
- Tailwind css
- vs code
- Javascript

COURSE & CERTIFICATIONS

- **MERN STACK**
Synnefo solutions || 6 month
- **FULL STACK WEB DEVELOPMENT**
Laxmi-infotech || 1 month
- **INTRODUCTION TO ETHICAL HACKING**
Offenso Hacker Academy || 1 month

PROFESSIONAL EXPERIENCE

Synnefo Solutions

MERN STACK INTERN | Dec-2024 to Jan-2025

I have developed responsive user interfaces using React.js and built RESTful APIs with Node.js and Express.js. I have effectively managed MongoDB databases and collaborated using Git and GitHub. My experience includes debugging and testing with unit and integration tests, deploying applications to cloud platforms, and quickly adapting to new technologies.

Laxmi Infotech

MERN STACK INTERN | May-2023

Developed the foundational structure and concept for a full stack web application.

PROJECT

- **EASY WIN**
Online Exam Portal
Developed an online exam portal featuring user authentication, exam creation, real-time scoring, and result analysis, ensuring a seamless and secure testing experience.
- **PORTFOLIO**
My Portfolio
Created a responsive portfolio with sections like "About Me," "Projects," and "Skills," showcasing my front-end expertise and web development abilities.
- **API CHECKER**
Api cheking
Developed an API check-in web application for efficient daily check-in management, featuring a robust backend and a user-friendly interface for optimal user experience.
